

Hi-Tech Institute of Engineering and Technology

Delhi-Hapur Bypass, NH9, Ghaziabad, Uttar Pradesh 201015

3.4.1 Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

HI Tech Institute of Engineering and Technology is taking various initiatives to improve the quality of life surrounding the Institute. HIET organizes and participates in various extension activities to promote College-Neighbourhood-Community network. Major emphasis is given on student engagement, service orientation and holistic development of students contributing to good human being and sensible, responsible citizen.

The Institute is much concern to prepare its students sensitizing towards social issues and preparing them for life ahead by inculcate the habits of teamwork, cooperation, and healthy competition. To achieve this goal various students club, organize various activities throughout the year. Camps, Lectures, awareness programs and other events are organised besides studies for holistic development.

Students are encouraged to participate in activities related to literacy, gender sensitization and environmental protection. various events such as sports events, and co-curricular activities throughout the year for the students. Students also take part in social help to slum people by distributing blankets and warm clothes and other essentials too.

The Institute organises various health check-up camps like Covid 19 Vaccination, Covid Booster Vaccination , blood donation events organized in the college every year. The mass participation shows their inner values of harmony and mercy.

Students also participate in various patriotic events with enthusiasm, be it celebration of Independence Day or Republic Day.

HIET organize regular activities on social & environment issues including seminars, tree plantation drives, invited talks by social figures, orientation programs, celebration of Yoga day etc. Such events witnesses mass participation of our students. Students learn various ways to help out the society. The purpose is to make young generation sensitive to their surroundings and inculcate understanding of human values. These are the ongoing activities carried by our students every year.
