7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

From providing a holistic education to students of diverse backgrounds, Hi- Tech Institute of engineering and Technology has emerged as a critical site of constituting, shaping and redefining our socio-political milieu by becoming aware of our roles, duties, obligations and responsibilities as the citizen of our sovereign nation. Over the years, Hi- Tech Institute of engineering and Technology has sought to make its employees and students aware of their rights, the struggle that went into claiming those rights and the awareness of the moral, social and political obligation to preserve those rights by following the duties expected of them as citizen of our proud nation.

Constitution Day: Celebrated on 26 November each year and also known as the National Law Day, Constitution Day is when we celebrate the monumental work, The Constitution of India, to ensure the values and principles of the Constitution of India remains alive.

Women constitutional right awareness program: This program was chaired by Director General of Hi-Tech Institute of Engineering and Technology to make girls and female faculties aware of their rights which are incorporated in constitution of India.

National Voters Day: Celebrated on 25 January, this day is celebrated by the institution as an awareness campaign to encourage students to participate in the electoral process and thus, create viable political future for themselves and their community.
