

### Memorandum of understanding (MOU)

Business Agreement between British Lingua, Delhi and Hi-tech Institute of Engineering & Technology, Ghaziabad under the aegis of Anand Education Society. This socio-business academic agreement is entered into between both of the parties with effect from the 1st of June 2022 for the mutual benefits of both entities. British Lingua is the first party whereas the Hi-tech Institute of Engineering & Technology is the second party.

Whereas with the first party approaching the second party, the need for such an agreement has arisen with the following terms and conditions applicable to both parties:

1. The first party is mandated to implement skills training project to all 3000 students/trainees, covering all courses of second party, subject to the government projects.
2. First party will impart 48 Hours of training, covering 2 hours in every week in the time period of next 6 months and will provide a qualified faculty on full time basis for the same who will impart training to all students of all courses. Faculty so nominated/ for the purpose, will maintain all professional ethics related to attire, behavior and other professional/ethical conducts. Faculty, also having industrial experience, will be preferred for this purpose.
3. Faculty from first party will ensure to provide Lecture Plan or Training Manual, Study Material/Notes to students in advance.
4. The first party will ensure that the trainees gain free communication skills/soft skills training for all the participants under the project. Thus, the first party will not charge any amount of fee from trainees undergoing the training. The second party in return will also provide the required infrastructure and logistics support free of cost.
5. The second party will allow the first party to use infrastructures such as the required one classroom/lab, a washroom, passage for the purpose as required.
6. The second party will be entitled to advertise on its literature, board, and banners for free training soft skills/ communications skills to its students enrolling there.
7. This business agreement will be valid for 2022-2023 academic session and subject to further extension.
8. First party may advise second party about Government Schemes/Projects from time to time and may enter into agreements after having consent from each party involved in.
