(MCA DEPARTMENT)

*It is great honour to work with this organization. The working environment here is very good and supportive management an amazing place to enhance my skills.*

**HIMANSHI SHARMA**  
(MCA DEPARTMENT)

## Faculty's Corner

### गुरु

जिन्दगी के विद्यालय में कभी सीखते, कभी सिखाते हैं, कभी गुरु, कभी शिष्य बन, जिन्दगी की पाठशाला में कभी पढ़ते और पढ़ाते हैं।

गुमनामी के अंधेरे में थी, तूने एक पहचान बना दिया, दुनिया से अधिकारों के लिए मुझे लड़ना सिखा दिया।

जिसे देता है, ये जग सम्मान, जो करता है, युगों का निर्माण, वही बनाता है, हम इंसानों को इंसान, ऐसे गुरु को बारम्बार प्रणाम।

**Charu Singh (Assistant Professor- BCA Department)**

### Two Aspects of Life

*Sorrows and sufferings are a part of life. We must not grudge them. The existence of sorrows and sufferings should not make us dejected. We must do our duty. The world is like a looking glass that reflects our inner self. We must always look at the bright side of things.*

*There are some sweet natured persons who radiate delight wherever they go. We must always greet everybody with a pleasant smile. Even life has numerous blessings of life, sorrows and anxieties are avoidable. We can make our life a comedy or a tragedy, it all depends upon our thinking but no evil can ever occur to a noble person.*

**Sakshi Dwivedi (Assistant Professor-BJMC Department)**

### Dear Mind

*You're Constantly thinking, the thoughts never crease, the wheels keep on turning, But where is the grease.*

*You grind and you grind, without my control, without care for my being, without care for my Soul.*

*You do what you want, And you do as you please, you're stubborn as fuck, And bring my heart to its knees.*

*Why won't you listen? you're not always right, There's more to this world, Than logic and Sight.*

*I know that you feel them, you know that they're there, you pretend you don't see them, you pretend not to care,*

*But use the equation: Mind, body plus soul, Take away one, And we're no longer whole*

*So please stop ignoring and refusing to give up, because love has no reason But it's the reason we live.*

**Himanshi Mittal (Assistant Professor-MBA Department)**

### माँ

हर पल लगता है कोई सजा काट रही हूँ, अब पता लगा सही मायने में कि दुनिया क्या है।

कोई नहीं है अपना तेरे सिवा, ना जाने कहां गये वो दिन, जब तू ढाल की तरह थी रक्षा के लिए मेरी,

आज जब ढाल ही नहीं है तो कौन और कैसे रक्षा करेगी इस दुनिया में, आज बहुत एहसास होता है तेरे ना होने का,

तेरी बहुत कमी महसूस होती है हर पल, काश कुछ बातें मेरे हाथ में होती, साथ रहती तू मेरे सदा परछाई की तरह,

ना होने देती कभी बेटी को उसकी माँ से दूर, अगर मेरे हाथ में होती कुछ ऐसी ही बातें.....

**Priyanka Singh (Assistant Professor-CSE Department)**

## Message of Governing Body

### Desk of Chairman

*The institution has a strong vision to ensure overall development of the budding engineers and managers through varied extracurricular activities accompanied with the academic performance. The prime focus of the institution is on turning conventional into exceptional through imbibing various planned activities and specific objectives for achieving success in all spheres of technical and managerial education.*

**Shri Anand Prakash**

### Desk of Secretary

*Hi-Tech Institute is committed to the integration of academics and corporate exposure by creating ample learning opportunities that enrich the lives of students. The college is committed to an interactive, participative, and technologically enabled learning experience.*

*We aim to provide a rewarding and challenging environment for faculty, staff, and students to kindle and sustain a passion for excellence.*

**Smt. Renu Goyal**

### Desk of Director

*In today's information technology era, things are changing at such a pace that it has become difficult to remain in a race with it. For this, a professional approach is to be established and minds are to be trained so that they can keep pace with the rapidly changing environment.*

*At Hi-Tech institute, the approach is for the holistic development of students which make them turn out to be a real professional useful for society and capable of contributing in a meaningful way.*

**Dr. Pankaj Kumar Mishra**

### Desk of Dean Academics

*I would like to express my deep feelings of gratefulness to every one of you for your persistent support, love and concern towards the college which empowers us to strive hard to carry forward the mission of spreading value-based knowledge and research oriented environment to one and all.*

**Dr. Hoshiyar Singh Kanyal**

Dear Reader,

Greetings to you!!

The role of Editor is really important for the publication of the college Magazine. As an Editor, I have tried my best level to bring up an exhilarating flashback of the inception of college and its history, the events and achievements during the odd Semester, 2022-23.

I am thankful of the Governing Bodies, Director & Faculty members for helping me in bringing out this valuable magazine within the time frame.

I am also thankful to the students' community at large for their contribution.

'CAMPUS ROOT' is more than just a magazine where the potentials, talents, achievements and vision of our college get reflected. It has a personality of its own. We have for you, a wide range of poetry, riddles, jokes and some informative and inspirational articles.

Here lies a humble hope that you will enjoy and appreciate it.

Happy Reading!

## Student's Corner & Events

### **\*Powerful\***

*It may not be a measure of physical strength or size instead it is an inner strength that shows within your eyes*

*So much determination so much want and drive a spirit of enjoyment that shows we are alive*

*You might not always see it but it's there down deep inside it just might take some coaching to bring forth that strength and pride*

*Each of us can be powerful we have to know it's true to let free our power to do what we must do.*

**Anushka Mehra (Student)**

### **\*Decision\***

*Don't change your decision, thinking what other people say, don't change your decision for other people judging for your decision. If you are right then don't listen to anyone just follow your heart.*

*When you have freedom for you, fight if someone tries to snatch, you are free no one has given you freedom, the freedom you've given yourself.*

*To breathe freely and live life on your own terms and to live with open wings and fulfil own wish do what you want and show people you are not weak and one day write your success story with your pen and share it with people.*

**Reena Rajput (Student- BBA 1st Year)**

Good event planning begins with knowing what you are trying to accomplish and clearly defining your goal. It will be very valuable to you as you go through the planning process. Knowing your goal can also help you to avoid unintended growth and expansion of the event.

The following events were organized in campus:

1. Fresher's Party
2. Crossroads-The Technical Fest
3. HR Conclave
4. Women's Day Celebration
5. Sunderkaand
6. Debate Competitions
7. Har Ghar Tiranaga Mahotsav
8. Teacher's Day
9. Constitution Day
10. Hi-Tech Premier League
11. Fashion Show

And many more...

### **UPCOMING EVENTS**

- International Conference
- Alumini meet
- Workshop on Up-coming Technology
- FDP & SDP

## Placements

It is a dream of every student to get placed in their specific domain. Hi-Tech provides them to achieve their dreams by providing 100% placement. In the placement session for the year 2022-2023 topmost companies has shown their interest to hire the students of HIET for Internships

and Placements. The highest package offered to the placed student was 8.50 LPA.

### OUR RECRUITER - 2022-2023

## About Department

### Department of Computer Science & Engineering

The Department of Computer Science & Engineering at Hi-Tech Institute of Engineering & Technology started in the year 2006 with a vision "To propagate knowledge to generate creative and industrial leaders for the knowledge-based economy. It is lively and invigorating academic centre for the higher education, research, and innovation in key areas of computing. We offer B.Tech in CSE, CS-AI, IT, BCA and MCA courses.

### Department of Mechanical Engineering

Mechanical engineering is well equipped department of Hi-Tech engineering college. It has infrastructure to impart comprehensive knowledge and skills to the future engineers of the country. The department has a team of highly qualified and experienced faculty members, mostly IITs and NITs.

### Department of Electronics & Communication Engineering

Department of Electronics and Communication Engineering was established in year 2006. The Electronics and Communication department has acquired expertise in the area of VLSI Design, Signal Processing, Wireless Communication and Networks, Optical Communication and Networks, Antenna and RF System Design and Embedded System Design.

### Department of Electrical Engineering

Department of Electrical Engineering was established in year 2006. The department is a dynamic and growing community of scholars with an emphasis on research-oriented teaching and is active in most of the dimensions of electrical engineering.

### Department of Management Studies

Hi-Tech Institute of Engineering & Technology offers BBA (3 years) and MBA (2 years) programme. The department attracts leading firms in the large number to take part in the campus recruitment. Today, our alumni serves at different leadership positions in the various private, public, multinational, government and non-profit organizations. The education and exposure that the students gain during two years of their course renders them confident to join the world of business and face the challenges of the corporate environment. We also offer a top up of German language and SPSS.

### Department of POLYTECHNIC

Department of Polytechnic was established in year 2019. Polytechnic is a diploma course in which institute focuses on delivering technical education. Generally, polytechnic is a three years programme. Polytechnic also helps the students to start their career by getting a good job at a reputed company. We offer Polytechnic Diploma in Civil, Mechanical, Electrical, Computer Science & Fashion Designing.

## Training & MOU

The objective of Technical training is to provide the feel of actual working environment to the students and to gain practical knowledge and skills which helps to motivate, develop and build their confidence level.

The major benefits of technical training are with regards to company selection process (interview & written) as well as live project exposure, coding standard, entire architecture, design patterns & how to work with the company environment. Improvement of technical skills is crucial for working in the IT industry.

S.N.	Department	Training
1.	B.TECH- CSE/IT/AI, MCA, BCA	Python, C, C++, JAVA, Advanced JAVA, PHP, Machine learning, Digital Marketing
2.	B.TECH- ECE	Printed Circuit Board, Robotics , E-Vehicles, MAT LAB, Arduino
3.	B.TECH- EE	PLC-SCADA, E- Vehicles, Python
4.	B.TECH-ME	Auto-CAD, HVAC, Piping Design
5.	B.COM, BBA,MBA	MS Excel, Tally, Soft Skills, Marketing, German language, SPSS

The MoU is intended to recognize the general basis for a cooperative and collaborative working relationship between two parties. The purpose of MoU is to have mutual interest to work jointly on the projects which are required for industries and research needs. Learned faculty members of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas like: Industrial Visits, In-plant Training & Special Technical Training to make the students Industrial -ready.

The companies those who have signed MOU :

1. Tech-Saksham by Microsoft
2. Skill Builds by IBM
3. Soft Skills by British Lingua
4. PLC SCADA by SoftCon
5. Technical by Coffeee.io

## Awards & Recognition-Faculty & Staff

The purpose of the Faculty Recognition Awards is to acknowledge the multidimensional nature of the practice of teaching and to recognize some of the excellent faculty members at HIET.

On Teacher's Day Hon'ble Minister General V.K Singh, on Annual Day State Minister Captain Vikas Gupta and on Independence Day Former Vice Chancellor Prof. R.K Khandal awarded the faculty members for their outstanding performance.

## Awards & Recognition - Students

The institution also honoured the meritorious students with awards and certificates for their commendable performances in academics. The Chief Guest appreciated the hard work of the students and the values that the institution has given to them.
